

## Particle Instruments Software Upgrades

To update your software version please [contact TSI Support](#) with:

1. The Model Name or Number of the instrument
2. The Serial Number of the instrument

To keep up to date on new software releases, don't forget to [sign-up for TSI Particle Instrument's on-line news and technology updates](#).

### Particle Sizer Software

» 3936 Scanning Mobility Particle Sizer™ Spectrometer: Aerosol Instrument Manager® Software	Version 9.0.0
» 3936 Scanning Mobility Particle Sizer™ Spectrometer: Aerosol Instrument Manager® Software upgrade	Version 9.0.0u
» 3034 Scanning Mobility Particle Sizer™ Spectrometer	Version 6.0.2
» 3321 Aerodynamic Particle Sizer® Spectrometer: Aerosol Instrument Manager® Software	Version 9.0.0
» 3314 Ultraviolet Aerodynamic Particle Sizer® Sensor: Aerosol Instrument Manager® Software	Version 9.0.0
» 3090 Engine Exhaust Particle Sizer™ Spectrometer	Version 3.1.0
» 3091 Fast Mobility Particle Sizer™ Spectrometer	Version 3.1.0
» 3080 Electrostatic Classifier: Calibration Software	Version 2.1.0
» 390069 Data Merge Software for Aerosol Instrument Manager® Software	Version 1.0.2

### Particle Counter and Detector Software

» 3783 EPC™ Environmental Particle Counter™ Monitor: Aerosol Instrument Manager® Software	Version 9.0.0
» 3786 Ultrafine Water-based Condensation Particle Counter: Aerosol Instrument Manager® Software	Version 9.0.0
» 3785 Water-based Condensation Particle Counter: Aerosol Instrument Manager® Software	Version 9.0.0
» 3782 Water-based Condensation Particle Counter: Aerosol Instrument Manager® Software	Version 9.0.0
» 3781 Water-based Condensation Particle Counter: Aerosol Instrument Manager® Software	Version 9.0.0
» 3776 Ultrafine Condensation Particle Counter: Aerosol Instrument Manager® Software	Version 9.0.0
» 3775 Condensation Particle Counter: Aerosol Instrument Manager® Software	Version 9.0.0
» 3772 Condensation Particle Counter: Aerosol Instrument Manager® Software	Version 9.0.0
» 3771 Condensation Particle Counter: Aerosol Instrument Manager® Software	Version 9.0.0
» 3007 Condensation Particle Counter: Aerosol Instrument Manager® Software	Version 9.0.0

## Particle Instruments Software Upgrades

### Particle Counter and Detector Software

» 3010D Condensation Particle Counter: Aerosol Instrument Manager® Software	Version 9.0.0
» 3010 Condensation Particle Counter: Aerosol Instrument Manager® Software	Version 9.0.0
» 3022A Condensation Particle Counter: Aerosol Instrument Manager® Software	Version 9.0.0
» 3025A Ultrafine Condensation Particle Counter: Aerosol Instrument Manager® Software	Version 9.0.0
» 3760A Condensation Particle Counter: Aerosol Instrument Manager® Software	Version 9.0.0
» 3762 Condensation Particle Counter: Aerosol Instrument Manager® Software	Version 9.0.0
» 3068B Aerosol Electrometer: Aerosol Instrument Manager® Software	Version 9.0.0
» 3070A Electrical Aerosol Detector: Aerosol Instrument Manager® Software	Version 9.0.0
» 3550 Nanoparticle Surface Area Monitor	Version 2.3.1

### Atmospheric Monitoring Software

» 3563 Integrating Nephelometer: Neph for Windows & Nephlog	Version 1.5.0
---	---------------

### Chemical Characterization Software

» 3800 Aerosol Time-of-Flight Mass Spectrometer	Version 5.2.7
---	---------------

### Automated Filter Tester Software

» 3160 Nano CERTITEST® Automated Filter Tester Particle Penetration Tester	Version 1.6.0
--	---------------

### Third-party software (made available but not supported by TSI)

#### » Aerocalc.xls by Professor Paul Baron

Aerocalc is a Microsoft Excel spreadsheet which encodes the formulas found in "[Aerosol measurement: Principles, Techniques, and Applications](#)" by Paul Baron and Klaus Willeke. The formulas are indexed to the book.
